206 W 118<sup>th</sup> St  
New York, NY 10026  
*\*Hendrick's open bar during the first hour of event*

**MORE INFO:** Successful people who have a unique sense of confidence and clarity all have one thing in common—they are living their lives on purpose. You can feel their magic, even if you don't know how they created it. Through years of experience, Jovian Zayne will share her secrets, practical steps and tools for how readers can become their best selves and live a purposeful life.

With nearly a decade of experience, **Jovian Zayne** is a recognized Thought Leader in the professional development and diversity-training field, and has served as a featured speaker for institutions such as Columbia University, Harvard University, The Clinton Foundation, and The Vision Investment. She recently launched **Jovian Zayne, LLC**, a firm committed to helping organizations and individuals to "Live on Purpose" through targeted training and unique facilitation experiences. Jovian has coached executives across various industries including record label executives for **Janelle Monae's Wondaland Records; The White House**, Executive Directors at **Teach For America, Educators 4 Excellence** and The Accelerate Institute, amongst others.
